**Re: PNG Telecommunications, Inc. d/b/a PowerNet Global Communications
Exemption from Bond Requirement**

Dear Ms. Boyd:

PNG Telecommunications, Inc. d/b/a PowerNet Global Communications ("PNG" or the "Company"), is a CLEC and IXC in South Carolina. Under Order No. 2012-175, an ORS formula method was agreed on to determine the amount of the bond; however, PNG currently does not have any local residential exchange customers and requests an exemption from the bond requirement until such time that PNG has local residential exchange customers.

Please do not hesitate to contact me to discuss this matter in further detail.

Sincerely,
